QA Internship Programme: Białystok

We're very happy to announce the launch of **Spyrosoft Internship Program**. All students and graduates of the IT-related studies are welcome to take part in it and enjoy the challenges in **Software Testing**.

For us, the most important are engagement and ambition so you will find out that at Spyrosoft we treat interns very seriously. Feel welcome to join our brains!

Requirements:

- Willingness to learn
- 4th or 5th academic year of studies
- Basic knowledge of IT industry
- Good English skills
- Can-do attitude
- Communication skills

Joining Spyrosoft internship means:

- Joining us for 3 months
- Having an opportunity to get hired after the Internship
- Developing technology skills
- Gaining experience of working in an Agile environment
- Being paid for the Interniship.

You are a perfect match if you:

- Are eager to learn
- Are on 4th or 5th academic year of studies
- Already did some baby steps in the IT
- Have the courage to take initiative
- Your English skills are decent

We promise to do our best to make you feel cared and guided.

Do not hesitate, send to us your CV to ast@spyro-soft.com and hop on board!

About Spyrosoft

Spyrosoft is an authentic, cutting-edge software engineering company, established in 2016. In 2021 and 2022, we were among the fastest growing technology companies in Europe, according to the Financial Times. We were founded by a group of tech experts with established backgrounds in software engineering, who created an 'engineer-to-engineer' workplace, powered by enthusiasm, fairness and authentic relationships. Having a unique offering, which bridge the gap between technology and business, we specialise in technology solutions for industry 4.0, automotive, geospatial, healthcare & life sciences, employee experience & education and financial services industries.
